

What is the schedule at Boundary Martial Arts?

We break the year into 4 parts just like the seasons. The fall season begins around the first of September. The Winter segment starts the first part of December. Spring segment begins in March and Summer begins in June.

In any given segment the student is required to have a minimum of 18 classes to test for their next belt. At the Red/Black level they must have a minimum of 36 classes to test for Black Belt.

Classes are at 6p and we like to see the student twice per week. Monday and Thursday are linked and Tuesday and Friday are linked. Having students stick with one or the other helps the staff manage the load of students better. If one class is getting full you may be asked to join the lesser attended class. Each class teaches the same material so no one will miss anything.

Each segment the Lavala family may take time off on a scheduled class day. This will be announced in advance. This is due to additional sports played by Mr. Isaac Lavala - Assistant Instructor.

Open Gyms are offered each segment in addition to regularly scheduled classes and help if a student misses classes along the way. The open gym time is free and usually lasts for 2 hours on a Saturday morning.
